## Quick Write

Watch the video of the Heider-Simmel Demonstration and respond to the following questions:

1. What kind of a character is the big triangle?
2. What kind of a character is the small triangle?
3. What kind of a character is the circle?
4. Where are these characters?
5. What do you think is going on in the story?

*“Soft as some song divine, your story flows” ~Homer*

## **The Story Lab**

Let's try one together

PROT-  
AGONIST

**VS.**

ANT-  
AGONIST

**@**

SETTING

### **Character Motivation**

What does the protagonist want?

What does the antagonist want?

### **Scene Relevance**

Why are the protagonist and antagonist in this setting?

### **Conflict Identification**

What problem arises between these two?

# The Story Lab

Now it's time for you to experiment.

1. Follow this link to the Story Lab mini app: [www.grammarleague.com/storylab/](http://www.grammarleague.com/storylab/)
2. By clicking on each of the buttons, you will be presented with a Protagonist, Antagonist, and Setting at random. Enter these into the trials below.
3. Imagine the possibilities presented to you with each different combination.
4. Jot down a few notes as to the potential of each combination as a story.
